A MESSAGE FROM THE PRINCIPAL

The countdown to the end of the year has begun and although this has created a lot of excitement for many, I would like to remind all of our students that there is still a lot of work to be done. This is not the time to let your grades or attendance slip as it could truly have detrimental effects on your yearly averages. Please continue to strive for the BEST grades and demonstrate a strong work ethic.

Additionally, I have to remind our students and families that the school building - or our campus - is not a place for “games”. The HS Administration is well aware of the annual “Senior Assassin game” our seniors partake in each year. However, toy/water guns have no place on school property for any reason. In today’s world, with school security being a central conversation in our nation, we should all understand how this simply cannot – and will not - be tolerated. Any student apprehended with a toy/water gun, attempting to compete in this game, on school grounds will not be permitted to participate in his/her graduation exercises. I implore everyone to make smart choices!

Prom Prevention Day Assembly

Thank you to our School Resource Officer, Mr. Kienholz, and West Deptford Police Department for hosting an impaired driving simulation course. A **special thanks** to Mrs. Cabot, Mr. Burke, and Mr. Preziosi for their help and support! **We are grateful for your efforts.**

As part of our Prom prevention day efforts, senior students participated in the Distracted Driving Simulator. The simulator is set up to allow participants to see the dangers of distracted driving first-hand in a safe environment. Participants start by getting familiar with driving and operating the vehicle (3-4 minutes). We engage the participants in distracted driving. While the participants are texting and driving, weather conditions and road hazards continue to change, making infractions and accidents almost unavoidable (4-6 minutes). The combination of texting, driving, and changing conditions drives home the idea that distracted driving is not worth the risks and dangers that come with it.

Southwest Council representatives also had students participate in field sobriety tests and other activities while using Impairment Goggles designed to remind students of the dangers associated with impaired driving, underage drinking, and substance use.

why do we need you?

Teen volunteers are a crucial part of our program. As a volunteer you would help to provide students with a one-on-one learning experience. Volunteering for Safety Town is also a great way to get some volunteer hours for those who may need them.

who is eligible?

Any West Deptford student entering 7th grade or above in the 2023-2024 school year!
