FRIENDS OF RACHEL

Friends of Rachel have been busy hosting the New Student Welcome Breakfast and promoting Week of Respect.

A New Student Welcome Breakfast was held at the beginning of September to welcome our newest incoming transfer students. Students were treated to breakfast and snacks hosted by some Friends of Rachel members. All students could mingle, spend time together, and participate in a game designed to help them get to know one another.

Week of Respect: Please ask your students what Respect means to them and how they can show Respect. Students have been busy creating posters and banners and placed throughout the building to promote Respect not just this week but every week. Students have also read respect quotes on the afternoon announcements to encourage students to show Respect daily.
