

EAGLE NEWS

April 28, 2023

A MESSAGE FROM THE PRINCIPAL

Parents,

On **Monday, May 1, and Tuesday, May 2**, students will be involved in NJSLA statewide testing at the high school. On Monday, May 1, and Tuesday, May 2, **WDHS will operate on a "delayed opening" schedule**. On these two days, all testing students will arrive at school at 7:15am, whereas all non-testing students will arrive at school by 10:15 am.

All testing students received an email with their testing room assignment for both days. Here is another overview of our testing schedule and which students are required to test:

Monday, May 1:

ALL 9th graders will be taking an ELA assessment.

ALL 11th graders will be taking a SCIENCE assessment. (part 1)

Tuesday, May 2:

9th graders who are enrolled in Alg 1, Alg 1B, Geometry, or Alg 2 will be taking the MATH assessment (9th graders enrolled in Alg 1A will NOT be testing)

10th graders who are enrolled in Alg 1B will be taking the MATH assessment.

ALL 11th graders will be taking the SCIENCE assessment. (part 2)

For all **non-testing students**, a second round of buses will come to the bus stops to pick the students up on these two days. A good rule of thumb is that on delayed opening days, the bus driver will come three hours later than its average pickup time. The bus drivers will remind the students of this as we get closer to May 1st and 2nd. ALL non-testing students should arrive at school by 10:15 am each day, or they will be marked late.

All **12th-grade students** will report to the gym upon their arrival, and all **non-testing 9th/10th-grade students** will report to the auditorium upon their arrival.

Ms. Clark

DID YOU KNOW? Students can take COLLEGE COURSE WHILE IN HIGH SCHOOL!

Students aged 15 and up who have successfully completed the ninth grade can take college courses through Rowan College South Jersey's HSOP Program (High School Options Program) at a substantial discount.

These courses are held at the college or may be available online. 10th graders can take courses during the fall semester, spring semester, or any of the three summer terms. Interested families can go to www.rcsj.edu/designyourfuture for more info. Parents are responsible for all associated costs.

Credits from these courses will be reflected on a college transcript that can be submitted for transferability evaluation to the college or university of your choice. WDHS students have had great success in transferring these credits to both in and out-of-state and public and private schools.

WDHS juniors and seniors can also participate, and WDHS will cover the tuition and fees for up to two courses per semester (Fall and spring). Students and parents will only be responsible for the cost of any textbooks or materials that may be required. See your School Counselor for Registration Forms, Due Dates, etc.

DECA News:

This past week Jake Hartman and Yusuf Abouelsaadate attended the DECA national competition in Orlando, FL, alongside Ms. Newman. It was a great experience for all involved, and although we did not come back with a win, it was still a very fun trip. 20,000 other students were at the convention, the best of the best. In the end, trips like this are what DECA is all about, learning new things while having fun. ~JakeHartman/DECA President
