### **PARENT NIGHT: OPIATE INITIATIVE**

As we are all too well aware, opiate abuse and addiction is an epidemic facing our nation, our state, and our county. In an effort to combat the opiate crisis in our area the West Deptford School District, in partnership with the West Deptford Police Department and the Gloucester County Prosecutor's Office, is launching the “Opiate Initiative”.

Please join us to learn about this comprehensive prevention program aimed at educating our school community. Sergeant Danielle Lo Russo, from the Gloucester County Prosecutor's Office, will lead the presentation on **Wednesday, November 11 @ 6:30 PM in the West Deptford High School Auditorium**. For more information see the flyer linked below. We look forward to seeing a huge turnout for this event.
