

NAVIANCE – WHAT IS IT?

1. Career research tool

- Numerous assessments available to identify careers that are a good fit based on skills, interests, personality, etc.

2. College research tool

- Search national database of colleges for your best fit based on numerous factors like: geographic location, size, curriculum / majors, admission policy and selectivity, campus life, athletic programs, special services, housing, etc.

3. College application management system

- Seniors MUST use Naviance to communicate with their guidance counselor about their **college applications and to request transcripts.**

4. Scholarship database

- Link to numerous scholarship applications any other scholarship databases

WDHS & Naviance

ALL WDHS Students are given a Naviance account in 10th grade. Students will use this account throughout 10th, 11th, and 12th grades.

10th Grade: The Guidance Dept. will provide classroom lessons on using Naviance to research careers and take career interest assessments in December.

11th Grade: The Guidance Dept. will provide classroom lessons on using Naviance to research for colleges.

12th Grade: Students will communicate with Guidance about their college applications using Naviance.
