

MANDATORY INSURANCE POLICY

The West Deptford Township School district will provide personal insurance for each student laptop throughout the course of your child's High School experience. However, in an effort to help defer the total cost of our insurance policy, the district will require parents to pay a one-time, non-refundable, insurance fee (listed below). This fee will ensure that your child's laptop is serviced and well maintained over your child's career at the high school.

In addition to your child's assigned laptop, the district has purchased additional laptops. These "loaner laptops" will be secured by our technology department and will be utilized if a problem arises with the student assigned laptop. Students will be permitted to use loaner laptops until their original laptop is repaired.

Parents may begin sending in the appropriate fee prior to the start of the school year. **Please do not send cash into school with your child.** Checks may be payable to West Deptford High School or WDHS and can be mailed to 1600 Old Crown Point Road, West Deptford, NJ 08093 c/o Dr. Gismondi.

If there are any personal or confidential questions about the insurance fee, please feel free to contact Dr. Gismondi. Please sign and return this form along with your payment.
