## Summer Enrichment Opportunities – 2019

<b>SCHOOL:</b>	<b>Drexel University</b>
<b>SUMMER PROGRAM:</b>	<b>ASM Materials Education Foundation Camp</b>
<b>DATES:</b>	June 24 - 28, 2019
<b>ABOUT THE PROGRAM:</b>	Materials Camp comprises a series of short lectures together with hands-on, interactive laboratory sessions. In the laboratory sessions, high school juniors and seniors learn about metals, polymers, ceramics, composites, and nanomaterials; how these materials are processed; how their structure determines their properties; and how and where they are used. Camp activities include electron microscopy, heat treating, tensile and impact testing of metals, synthesis of slime and foam polymers, composites, and liquid crystal thermometers. Student teams will also carry out an engineering design project which runs throughout the week. For application and additional details, click here: <a href="#">Materials Education Camp</a>
<b>SUMMER PROGRAM:</b>	<b>Materials Science and Engineering Summer Institute</b>
<b>DATES:</b>	July 15-19, July 29- August 2 or August 5-9, 2019
<b>ABOUT THE PROGRAM:</b>	This one week long program is for students entering 11 <sup>th</sup> and 12 <sup>th</sup> grade. Students will engage in hands on learning in the high-tech fields of energy, biotechnology and electronics. For application and additional details, click here: <a href="#">Materials Science and Engineering</a>
<b>SCHOOL:</b>	<b>Marist College</b>
<b>SUMMER PROGRAM:</b>	<b>Pre-College Program</b>
<b>DATES:</b>	Varies (see below)
<b>ABOUT THE PROGRAM:</b>	The programs at Marist are designed to prepare high school juniors and seniors for college by earning credits on Marist campus. Students will learn from experienced professionals and talented faculty. Students can earn 3-6 college credits while in high school. Various courses are offered under each session. Students can choose a course in either session or courses in both. <b>Session I:</b> June 30 - July 13, 2019 <b>Courses include:</b> Business, Criminal Justice, Environmental Science, Fashion Merchandising I, Theatre, Fashion Design I, Film and TV Production, and Game Design <b>Session II:</b> July 14, – July 27, 2019 <b>Courses include:</b> Fashion Design II, Fashion Merchandising II, Creative Writing, Pre-Health, Pre-Law, History, Entrepreneurship, Sports Communication, Cybersecurity, and Psychology. For the application and additional details, click here: <a href="#">Marist Pre-College Program</a>
<b>SCHOOL:</b>	<b><a href="#">Rutgers School of Dental Medicine</a></b>
<b>SUMMER PROGRAM:</b>	<b>Decision for Dentistry</b>
<b>DATES:</b>	Varies (see below)
<b>ABOUT THE PROGRAM:</b>	<b>Decision for Dentistry is a three-phase program offered 3 times annually. This program is designed to introduce high school students to career options in the dental profession. The program offers an informative hands-on experience at RSDM to shed light on the dental school experience and also assist students in understanding the requirements to enter dental school and what they must do to prepare to meet those requirements. A total of 45 students from high schools in New Jersey participate in this program and applications are now being accepted.</b> <b>Program 1: Phase I:</b> 10/09/18, Phase II: 02/05/19, Phase III: 04/16/19 <b>Program 2: Phase I:</b> 10/30/18, Phase II: 02/12/19, Phase III: 04/16/19 <b>Program 3: Phase I:</b> 11/13/18, Phase II: 02/27/19, Phase III: 04/16/19 The application deadline is September 26 <sup>th</sup> , 2018. For the application and additional details, click here: <a href="#">Decision for Dentistry</a>

## Summer Enrichment Opportunities – 2019

<b>SCHOOL:</b>	<b>Duke University</b>
<b>SUMMER PROGRAM:</b>	<b>Summer College High School Students (current 10<sup>th</sup> and 11<sup>th</sup> grade)</b>
<b>DATES:</b>	July 7 – August 2, 2019
<b>ABOUT THE PROGRAM:</b>	Explore, focus and immerse yourself this summer in a 4 week credit earning program designed to enhance a student’s readiness for future admission to an undergraduate degree program at a selective and prestigious university or college. This program offers an academically challenging and culturally expanding experience for young men and women who will be working and competing in a global world after they complete their university years. For application and additional details, click here: <a href="#">Summer College for High School Students</a>
<b>SCHOOL:</b>	<b>Gettysburg College</b>
<b>SUMMER PROGRAM:</b>	<b>Camp Psych – Summer Camp in Psychology</b>
<b>DATES:</b>	July 14 – July 19, 2019
<b>ABOUT THE PROGRAM:</b>	The goal of Camp Psych is to provide a window into how psychological science works. Campers will get hands on experience that introduces them to research in psychology in a fun, challenging and engaging environment. Campers will not simply learn about cutting edge issues and research in psychology, they will engage in research themselves. This camp gives students an insider view of the field, as well as preparation for college. For the application and additional details, click here: <a href="#">Camp Psych</a>
<b>SUMMER PROGRAM:</b>	<b>Civil War Institute Summer Conference</b>
<b>DATES:</b>	June 14 – June 19, 2019
<b>ABOUT THE PROGRAM:</b>	The High School Student Scholarship Program component of Gettysburg College’s annual <a href="#">Civil War Institute summer conference</a> provides high school students an opportunity to explore the history of the Civil War era on the site of the war’s most decisive battle. Participants will join conference sessions, interact with noted historians, and participate in special tours and programming geared toward high school students, including a historical simulation activity revolving around the 1863 New York City Draft Riots.
<b>SUMMER PROGRAM:</b>	<b>Writing Camp</b>
<b>DATES:</b>	July 14 - July 19, 2019
<b>ABOUT THE PROGRAM:</b>	The Writing Camp is designed to provide an in-depth introduction to all four genres of creative writing: fiction, poetry, nonfiction, and writing for stage and screen. Students will write creatively, share work in class and get inspired through activities such as readings, films, field trips and a special open microphone event for all participants. Students will also have an opportunity to give and receive feedback on their written work. For application and additional details, click here: <a href="#">Writing Camp</a>
<b>SCHOOL:</b>	<b>Susquehanna University</b>
<b>SUMMER PROGRAM:</b>	<b>Writer’s Workshop</b>
<b>DATES:</b>	July 21 – July 27, 2019
<b>ABOUT THE PROGRAM:</b>	The Writer’s Workshop provides America’s most talented high school writers with the opportunity to work in intensive, small-group workshops headed by nationally recognized authors. The Writer’s Workshop features workshops in fiction, creative nonfiction and poetry. The Writer’s Workshop is open to experienced writers entering 11 <sup>th</sup> or 12 <sup>th</sup> grade in the fall of 2019. For application and additional details, click here: <a href="#">Writers Workshop</a>
<b>LOCATION:</b>	<b>Monterrey, Mexico (not affiliated with a University)</b>
<b>SUMMER PROGRAM:</b>	<b>FutureDocs Abroad Summer Program</b>
<b>DATES:</b>	July 12 – July 27, 2019

## Summer Enrichment Opportunities – 2019

<b>ABOUT THE PROGRAM</b>	A completely unique program in Monterrey, Mexico that gives a mature group of high school students an opportunity right now to experience what only third- and fourth-year medical students can here in the United States. This ALL Access Medical Internship makes it possible to do all the things we only get to see on TV in a hands-on and face-to-face experience. Click here for further info: <a href="https://allaccessmed.com">https://allaccessmed.com</a>
<b>SCHOOL:</b>	<b>The College of New Jersey</b>
<b>SUMMER PROGRAM:</b>	<b>Summer Service Scholars (formerly: Bonner Summer Fellows)</b>
<b>DATES:</b>	July 7 – July 19, 2019
<b>ABOUT THE PROGRAM:</b>	The Bonner Summer Fellows offered at TCNJ provides students with an opportunity to learn through community service. Students will live on campus at TCNJ, work with other students, and can earn four college credits while participating in community service. Non-credit courses are also available. To access the application and additional details, click here: <a href="#">Summer Service Scholars</a>
<b>SUMMER PROGRAM:</b>	<b>Robotics Camp</b>
<b>DATES:</b>	July 14 – July 19, 2019 or July 21 – 26, 2019
<b>ABOUT THE PROGRAM:</b>	Students will each receive a robot kit and will build and program their own robot. Camp participants will experience residential life on the beautiful TCNJ campus while leaning about the exciting field of Electrical and Computer Engineering. Click here: <a href="#">Summer Robotics Camp</a> for more info.
<b>SCHOOL:</b>	<b>George Washington University</b>
<b>SUMMER PROGRAM:</b>	<b>The George Washington University Pre-College Programs</b>
<b>DATES:</b>	varies
<b>ABOUT THE PROGRAM:</b>	Students will engage in an intensive exploration of a topic as you learn to navigate the academic rigors of a college environment with the resources of Washington, D.C. to immerse you in active learning through site visits, meetings and volunteer opportunities in the broader community. The programs put you at the center of the nation’s political, intellectual and cultural activity. One-week (non-credit) through six-week (3-8 credits) opportunities are available. For more information, click here: <a href="#">GW Pre College</a>
<b>SCHOOL:</b>	<b>Stanford University</b>
<b>SUMMER PROGRAM:</b>	<b>Stanford Pre-Collegiate Studies Summer Programs</b>
<b>DATES:</b>	varies
<b>ABOUT THE PROGRAM:</b>	We offer programs across a wide variety of disciplines including arts, humanities, science, and math, giving highly motivated students the opportunity to investigate advanced topics not typically taught in secondary schools. Participants engage in small classes with brilliant instructors and peers who share their passions. Click here: <a href="#">Stanford Pre-Collegiate Studies</a> for more information.
<b>SCHOOL:</b>	<b>Stockton University</b>
<b>SUMMER PROGRAM:</b>	<b>Urban Teacher Academy at Stockton</b>
<b>DATES:</b>	June 24 - July 5, 2019 (no Academy July 4)
<b>ABOUT THE PROGRAM:</b>	The School of Education at Stockton University, with support from the NJEA, will be hosting the Urban Teacher Academy at Stockton, an intensive summer program for high school students interested in pursuing a career in education. The two-week program will utilize students’ interest in education and broaden it to a greater perspective of urban education through exposure to curriculum and field experiences in urban settings. Click here to see the brochure and application requirements: <a href="#">Urban Teacher Academy</a>
